PUT YOUR LIFE ON IT®

# WD Livewire

## Powerline AV Network Kit

### Product Features

#### Expand your home network instantly without running wires

Create high-speed Internet connections anywhere in your home without running wires between rooms. Just use your home's electrical wiring to create a network.

#### Set-up is as easy as plugging in a lamp

Plug one adapter into your router and an electrical outlet. Plug the other adapter into an electrical outlet in any room where you want a high-speed connection.

#### Faster and more reliable than wireless

With speed up to 200 megabits per second\*, the WD Livewire kit is fast enough for every computer in your home to share your broadband Internet connection and still have the velocity you need to smoothly stream 1080p full-HD video to your TV.

\*200 Mb/s is the ideal physical data rate. Network traffic, interference, building materials, and other conditions lower actual data throughput rate.

#### Encrypted for security

The data transfer between the WD Livewire adapters is protected with the same 128-bit encryption that you trust for your online banking and shopping. And because the encryption is automatic, there's no need to remember a password.

#### More ports for more devices

The WD Livewire adapter kit offers four ports on both devices in the pair. This allows you to plug in your router and up to seven Internet-connected devices such as computers, TVs, game consoles, media players, and network storage drives.

#### Installing WD Livewire powerline AV network kit into multiple rooms in your home is as easy as 1-2-3.

1

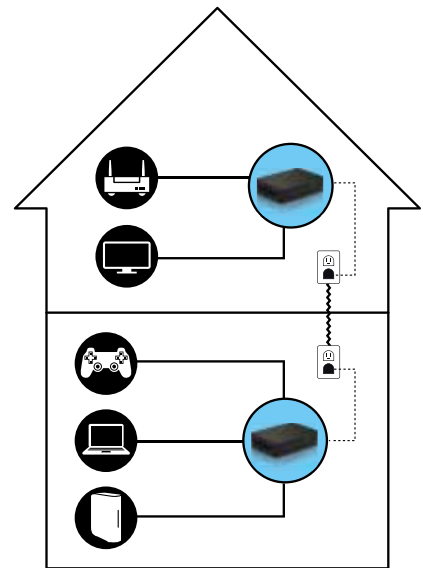

Plug one adapter into your router and an outlet

2

Plug the other adapter into any outlet for a high-speed connection

3

Connect additional devices using the available ports

### Product Specifications

#### INTERFACE

Ethernet

#### DIMENSIONS

Height: 1.3 in (32 mm)  
Depth: 4.7 in (119 mm)  
Width: 3.4 in (86 mm)  
Weight: 0.41 lb (0.19 kg)

#### SYSTEM COMPATIBILITY

HomePlug AV certified, IEEE 802.3,  
IEEE 802.3u compliant

#### MODEL NUMBERS

Americas WDBABY000NBK-NESN  
EMEA WDBABY000NBK-EESN

#### KIT CONTENTS

Two 4-port HomePlug AV adapters  
Two Ethernet cables  
Two power cables  
Quick Install Guide  
CD with WD Livewire utility software  
Warranty and support guide
