PUT YOUR LIFE ON IT[®]

WD TV Live

Streaming Media Player

Product Features

The best of the Internet on your HDTV

Stream hit movies, catch up on TV shows, stay connected to your social network and watch highlights from the biggest games of the season.

Your media collection belongs on the big screen

Enjoy your media library, home videos, vacation slideshows and favorite songs on your HDTV in Full-HD 1080p.

Ready, set, stream

The WD TV Live streaming media player connects to your high-speed Internet connection wirelessly, no PC required. Or use the Ethernet port to connect to your wired home network.

High-performance, streaming-ready Wi-Fi

Includes the latest wireless technology — extended-range Wireless-N — giving you the speed you need to stream HD.

Turn your smartphone into the ultimate remote control

Control your WD TV experience with the tap of a soft key or the swipe of a finger using the free WD TV Remote™ app. Available for iOS™ mobile devices.

Play media from any source

Stream videos, music and photos from your USB drive, network drive, digital camera, camcorder and any PC or Mac® computer in your home.

Bring the arcade to your HDTV

Swap gems with Rockswap, try your luck with Texas Hold'Em or test your math skills with Sudoku.

Stay updated with RSS feeds

Stay posted on your favorite bloggers and websites and stream the latest audio and video with timely RSS feeds.

Automatic play

Select your favorite song, movie or photo slideshow to automatically play when the device is turned on.
