PUT YOUR LIFE ON IT<sup>®</sup>

# My Passport Studio

## Portable Hard Drives

### Product Features

#### WD SmartWare™ Software

##### See your life safe in one place.

**See your backup as it happens**  
Seeing is believing. Visual backup displays your content in categories and shows the progress of your backup.

**Protect your data automatically**  
Relax. Your data is secure. Automatic, continuous backup will instantly make a second copy whenever you add or change a file.

**Bring back lost files effortlessly**  
Retrieve your valuable data to its original location whether you've lost all your data or just overwritten an important file.

**Take control**  
Customize your backup, set drive security, run diagnostics, manage the power settings, and more from the WD SmartWare control center.

Visual backup displays your content categories and confirms that your files have been backed up.

##### Smart display

Create your own personalized drive label to remind you what's stored on each drive. You can even view the label when the drive is unplugged. The display also includes available capacity and security status.

##### Pure performance

Save and access data at top speeds with the high-performance FireWire 800 interface. Also includes USB 2.0 interface for maximum flexibility.

##### Designed for Mac

Formatted for Mac and compatible with Apple® Time Machine™, this drive is plug-and-play ready for Mac computer users.

##### Drive lock

Gain peace of mind knowing that your data is protected from unauthorized access or theft with password protection and 256-bit hardware-based encryption.

##### Planet friendly

We designed a small retail box from recycled materials to minimize waste. We encourage you to recycle it.

### Product Specifications

#### INTERFACE

FireWire 800  
USB 2.0

#### DIMENSIONS

Height: 0.73 in (18.5 mm)  
Depth: 4.88 in (124 mm)  
Width: 3.27 in (83 mm)  
Weight: 0.40 lb (0.18 kg)

#### SYSTEM COMPATIBILITY

Formatted HFS for Mac OS® X, Tiger®, Leopard®, Snow Leopard™  
Windows® XP, Windows Vista®, Windows 7 (requires reformatting)

#### CAPACITIES AND MODELS

320 GB WDBAAE3200ASL  
500 GB WDBAAE5000ASL  
640 GB WDBAAE6400ASL

#### KIT CONTENTS

Portable hard drive  
WD SmartWare software  
USB cable  
FireWire 800 cable  
FireWire 800 to 400 adapter  
AC adapter  
Quick Install Guide

As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, and one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment. As used for transfer rate or interface, megabyte per second (MB/s) = one million bytes per second, and gigabit per second (Gb/s) = one billion bits per second.
